

Home Work Menu

Starters

To be completed consistently during the term.

- **Year 3 and 4** - Read books for both, record and for pleasure, in Welsh and English, every week.
- Learn the thematic vocabulary.
- Practice your handwriting.
- **Year 3** - Learn and revise the 3, 4, 5 & 10 times tables.
- **Year 4** - Learn and revise 6,7 and 8 and 9 times tables.
- Complete the Dragons' challenges.

Summer Term

Thema: Our Wonderful World

Mains

Choose 4 to complete during the term.

- Collect facts on the artist William Morris to create a fact file about him.
- Why not choose an Ecology Science Experiment to do at home? Why not record a video, explaining your findings and upload it to Google Classroom / J2E / school's Twitter account?
<https://www.sciencefun.org/kidszone/experiments/ecology-science-experiments/>
- Research **one** habitat in which animals live in and create and informational poster or Powerpoint presentation, explaining your findings.
- Create a diagram or 3D model of the process of climate change (The Greenhouse Effect). Can you explain these changes and how it affects us and our world?
- As we learn about the importance of recycling and reducing pollution, why not go for a litter pick in your local area? Can you sort your litter into the correct categories?
- What are the differences and comparisons between the Gods/beliefs in Christianity and Hinduism? Create a Venn Diagram to show your answers.

Remember you can send us your work on the school's twitter: @penalltau

Year 3 and 4

Seithennyn Class

Dessert

Optional during the term.
How about...

- How does a volcano form itself? Create a 3D model and label its different features.
- Create a habitat in a shoebox.
 - How about labelling with interesting facts and why we need to look after these habitats?

Bwydlen Gwaith Cartref

Tymor yr Haf

Blwyddyn 3 a 4

Thema: Ein Byd Rhyfeddol

Dosbarth Seithennyn

Cwrs Cyntaf

Gwnewch bob un yn gyson dros y tymor.

- **Blwyddyn 3 a 4** - Darllen llyfrau cofnod ac am bleser, Cymraeg a Saesneg, yn wythnosol.
- Dysgu geirfa thematig y tymor.
- Ymarfer eich llawysgrifen.
- **Blwyddyn 3** - Dysgu ac ymarfer tablau 3, 4, 5 a 10.
- **Blwyddyn 4** - Dysgu ac ymarfer tablau 6, 7, 8 a 9.
- Cwblhau heriau'r Dreigiau.

Prif Gwrs

Dewiswch 4 i'w cwblhau dros y tymor.

- Casglwch ffeithiau am yr arlunydd William Morris i greu ffeil ffeithiau amdano.
- Beth am ddewis Arbrawf Gwyddoniaeth Ecoleg i'w wneud gartref? Beth am recordio fideo, gan egluro eich canfyddiadau a'i uwchlwytho i gyfrif Twitter yr ysgol / Google Classroom / J2E? <https://www.sciencefun.org/kidszone/experiments/ecology-science-experiments/>
- Ymchwiliwch i **un** cynefin y mae anifeiliaid yn byw ynddo a chreu poster gwybodaeth neu gyflwyniad Powerpoint, gan egluro eich canfyddiadau.
- Creu diagram neu fodel 3D o'r broses o newid hinsawdd (Effaith Tŷ Gwyr). Allwch chi egluro'r newidiadau hyn a sut mae'n effeithio arnom ni a'n byd?
- Wrth i ni ddysgu am bwysigrwydd ailgylchu a lleihau llygredd, beth am fynd am sesiwn codi sbwriel yn eich ardal leol? Allwch chi ddioli eich sbwriel yn y categorïau cywir?
- Beth yw'r gwahaniaethau a'r cymariaethau rhwng y Duwiau/credoau mewn Cristnogaeth a Hindŵaeth? Crëwch ddiagram Venn i ddangos eich atebion.

Anfonwch eich gwaith atom ar twitter yr ysgol: **@penalltau**

Pwdin

Dewisol yn ystod y tymor:

- Sut mae llosgfynydd yn ffurfio ei hun? Sut mae'n ffrwydro? Creu model 3D a labelu ei nodweddion gwahanol.
- Creu cynefin mewn bocs esgidiau.
 - Beth am labelu gyda ffeithiau diddorol a pham mae angen i ni ofalu am y cynefinoedd hyn?
